

GROOMING CLINIC

July 2022

Kari Loken and Chris Gray held a grooming clinic for CTCD members. The event was held at the lovely Loken residence and “g” was such a good boy as a grooming model.

Those who attended were able to bring a Cairn, their tools and groom their Cairn on-site and receive expert advice from Kari and Chris. Many of us took notes on techniques and tools that were used.

It was a lovely morning to hold this event under the shade and we all enjoyed lunch provided by the club. We finished before noon and many of the Cairns went on to do Fast CAT in the afternoon where Bonnie earned her DCAT! Bonnie is now known as Cairncroft My Miss Bonnie a Wee Lass DCAT.

Many thanks to all that helped organize this event to include:

Kari Loken – Host and Grooming Demonstration and help with our dogs

Chris Gray - Grooming tips and providing feedback on our grooming with our dogs

Jan Owen - who kept track of the RSVP's

Cathy Cardon – regular communication and reminders of the clinic

Linda Wilson – event photographer

Robin Bovard – President, CTCD who helped keep this agenda item top of mind
